

Product Information

Deb® OxyBAC™

A highly effective, perfume-free antibacterial foam hand wash combining Accelerated Hydrogen Peroxide® with Deb Foam Technology™

efficacité renforcée par

USAGE

For general use hand washing in food & catering environments, or any other workplace, social care or public facility where a high level of hand hygiene is required.

INSTRUCTIONS FOR USE

1. Apply 1-2 doses to wet hands. 2. Rub in well across all parts of the hands for 30 seconds. 3. Rinse hands thoroughly with clean running water and dry well.

For cleaning greasy hands repeat above process or use OxyBAC™ Extra with DoubleDOSE™ pump. Always read the product label before use.

Features	Benefits
Unique Antibacterial Agent	<ul style="list-style-type: none"> Contains Accelerated Hydrogen Peroxide® a patented synergistic blend of commonly used ingredients that when combined with low levels of hydrogen peroxide (H2O2) is extremely effective at killing a bacteria.
No Potential for Bacterial Resistance	<ul style="list-style-type: none"> When in contact with bacteria, H2O2 releases free radicals that act non-specifically on multiple cell targets to kill the bacteria in a way that does not induce resistance.
Hypoallergenic	<ul style="list-style-type: none"> Carefully formulated to minimise the risk of an allergic reaction occurring and declared as "hypoallergenic" by a toxicologist.
Safer for the Environment	<ul style="list-style-type: none"> Unlike all other antimicrobial agents, H2O2 simply breaks down into oxygen and water, ensuring it does not leave any toxic environmental contamination after use.
Rich-Cream Foam	<ul style="list-style-type: none"> Combines mild amphoteric surfactant with organic stabilising molecules to create a rich-cream foam formula with excellent skin-feel properties both during and after use.
Food Safe	<ul style="list-style-type: none"> Perfume-free and dye-free formula has been independently tested and found not to have the potential to taint food. HACCP International certified product
Excellent Cleansing	<ul style="list-style-type: none"> Specifically formulated to provide an effective physical cleaning action for use in all food industry environments where greasy hands are encountered.
Quick Rinsing	<ul style="list-style-type: none"> Foam rinses off hands quickly and easily to leave no residues on skin or in sinks.
Conditions Skin	<ul style="list-style-type: none"> Contains humectants and moisturiser to leave the skin feeling smooth and conditioned. Validated by a dermatologist to be non-irritating to skin.
Reduces Cost-In-Use	<ul style="list-style-type: none"> The power of OxyBAC™ foam combined with controlled optimum dosage, ensures the right amount of product is used every time to minimise wastage
Hygienic cartridge	<ul style="list-style-type: none"> The cartridge and patented foam pump are ultrasonically sealed during the manufacturing process to protect the product. The pump is designed to prevent air ingress into the cartridge during normal use, thus minimising the risk of external contamination and maximising product evacuation with no unused product left.

Ingredients:

AQUA, GLYCERIN, BUTYLENE GLYCOL, LAURAMINE OXIDE, PHOSPHORIC ACID, HYDROGEN PEROXIDE, PHENOXYETHANOL, POLYGLYCERIN-6, SALICYLIC ACID, BENZOIC ACID

Shelf Life

This product has a shelf life of 24 months from the date of manufacture.

Handling Instructions

Avoid contact with eyes. In case of contact with eyes, rinse immediately with plenty of water (for at least 10 minutes) and seek medical advice. Please refer to label or SDS sheet for safety information.
